Forord

Først og fremst en stor takk til de mange politiledere på alle nivåer i politiet og de utallige politimedarbeidere som har vært informanter og/eller har daglig praksis i politiet. Dere har gitt meg en helt unik mulighet til å studere politiledelse og nærpolitireformen i fire år og derfor gjort det mulig å skrive denne boken om politiledelse som praksis. I en hektisk hverdag har dere alle invitert meg inn på alle arenaer i politiet for observasjon og samtaler om ledelsesoppgaver og politiaktiviteter. Jeg har fått tilgang til ledermøter, avdelingsmøter og utviklings-/opplæringsaktiviteter. Jeg har også vært velkommen på uformelle møteplasser. Overalt har politiledere og politiansatte med stort engasjement forklart hvordan det fungerer i politiet og i den jobben de har ansvar for. Jeg har hatt et meget stort utbytte av åpne, informative og det jeg oppfatter å være veldig ærlige tilbakemeldinger på det jeg har lurt på, i intervjuer og i uformelle samtaler med den enkelte. Tusen takk, alle sammen!

Dette er en forskningsbasert bok der mange dyktige forskerkolleger har bidratt med felles forskning på politiet. Tom Karp er en viktig medforsker, diskusjons- og skriveparter. Tusen takk, Tom! Takk til Elin Nilsen, Trude Høgvold Olsen, Elizabeth Solberg, Anja Overgaard Thomassen, Rune Glomseth og Tor Terje Dahl, som alle har bidratt med forskning i denne boken. Stor takk til Iselin Gjeruldsen, Lena Tomren & Johannes Sjo Steinsvåg, Duyen Nguyen & Aurora Brynildsen, Silje Grønning & Nargis Karim, Vibeke Schøyen & Tarje Gulbrandsen. Dere har alle bidratt med politiforskning i masteroppgavene deres.

Skillebekk, august 2020
Cathrine Hopstad Filstad
