

Obituary in memory of Eileen Schreiner Berglie 1952-2023

When the Nordic Journal of Studies in Policing was developed, formed, and shaped some ten years ago, many people were involved. One of them was Eileen Schreiner Berglie, who helped set the standard for the role of editorial assistant. Eileen was a highly integrated member of the Research Department at the Norwegian Police University College (PHS) and was a substantial contributor to the work of getting the journal up and running. With the help of Eileen's competence in design, layout, and process management, we were able to launch and run a journal that has now grown and become a vital outlet for academic research and practice-oriented literature. In loving memory of her warmth and her social ingenuity, we are grateful for having had the chance to work with her. Eileen retired in 2021 and, following illness, passed away on 20 February 2023.
